EXTENSION | NYE COUNTY

Annual Report | Fiscal Year 2018 - 2019

University of Nevada, Reno Extension is engaged in Nevada communities, presenting research-based knowledge to address critical community needs in the areas of agriculture; children, youth and families; community and economic development; horticulture; health and nutrition; and natural resources. It is a county-state-federal partnership providing practical education to people, businesses and communities. It is a unit of the University's College of Agriculture, Biotechnology & Natural Resources, and plays a vital role in fulfilling the University's land-grant mission.

PROGRAM UPDATES

NYE COUNTY

We reopened the County Extension Office in Tonopah and have started offering classes in Northern Nye County. The Tonopah office is offering pesticide applicator classes whenever available to agriculture producers regionally. The Pahrump office was fully reopened and is currently offering 4-H programming and Master Gardening classes to the public. We host monthly meetings for the Nevada Hemp Advisory Committee and we look forward to expanding and holding some of these meetings in Tonopah. We held a meeting for the hemp farmers in the Amargosa Valley and are exploring the options to expand extension services for farmers in that area. The Pahrump Master Gardeners are coordinating the Farmers Market at the Tractor Supply Store and answering any questions related to Horticulture for the public. We are planning to extend this service to Tonopah in the future.

THERE WAS CONSIDERABLE INTEREST SHOWN TOWARDS:

- ♦ **COMMUNITY GARDENING**
- ♦ **4-H**
- ♦ **FARMERS MARKET**
- ♦ **HEMP FARMING**

PROGRAM IMPACTS (CONTINUED)

In the year 2019, we hired:

- ◆ A new Extension Educator, Jacob Holloway
