HOUSING VALUE

All amounts are shown in 2017 dollars

Churchill County has seen similar trends in regards to the rest of the state in Median Housing Value in the years 2013-2017. A dip then a three year stretch of increasing values.

The number of total units occupied has increased from 2010-2017 while owner occupied units has decreased.

In all years, houses built 1999 or earlier remain the plurality (majority in 2017).
