### What does that mean?

Payments in Lieu of Taxes are amounts paid by the federal government in replacement of other revenue (such as property tax) that could otherwise be generated. It is to compensate the local communities for potential loss in revenue.

Grazing Districts are where grazing use is apportioned and regulated by the Bureau of Land Management

### General Fund Revenue

Revenues are the money brought in by the county from a variety of taxes and services. The major sources are property tax, consolidated tax, licenses and permits, charges for services, and transfers in (which includes various taxing entities).

#### General Fund Revenue

Revenues are the money brought in by the county from a variety of taxes and services. The major sources are property tax, consolidated tax, licenses and permits, charges for services, and transfers in (which includes various taxing entities).

Each year the difference between revenues and expenditures contributes to changing the end balance (seen below). A higher end balance marks a surplus and a lower end balance a deficit. A deficit is fine, especially if it counteracts a surplus from a previous year.

## General Fund Ending Balance

For Nye, the general fund balance varies between 2010 and 2016. The beginning balance is as high as \$2.9 million (2010) and \$3.8 million (2014), as well as low as \$67k (2013).

**Definition:** Ad Valorem is a tax whose amount is based on the value of a transaction or of property, rather than on quantity or intrinsic value. In the state of Nevada, Ad Valorem most commonly refers to **property taxes**. The Net Proceeds from Mines Tax is a property tax assessed on minerals mined or produced in Nevada when they are sold or removed from the state.
