

## Guess the Food

Pre K Standards: Mathematics &

Science: L.PK.4

Objective: Identify fruits and vegetables (and their food group) based solely on touch.

### Instructions:

1. Collect a fruit or vegetable and conceal it in a non-see-through bag.
2. Let the player touch what is in the bag and describe it.
3. After everyone gets a turn allow players to guess which food group it belongs in and what it is.
