- Verse 1:** Let's go down to the water
And play at the beach
Or we can go to the river
C'mon get out of the heat
Oh yeah, oh yeah, I love the water.... WATER!
- Verse 2** We like to drink from a fountain
Or pour it in a cup
Our favorite thing is watermelon
Nah we don't drink soda pop
Oh yeah, oh yeah, I love the
water....WATER!
- Guitar Solo;** Water, water everywhere, water, water in your hair
Bridge (chant): Wash your hands, brush your teeth, feel the rhythm,
stomp your feet
- Verse 3:** Let's go surfin' everybody
And boogie on the waves
Hold your breath go underwater
Kick your feet and swim away
Oh yeah, oh yeah, I love the water (2x) WATER!
