- 📍 Technical Assistance
- 📍 Processing

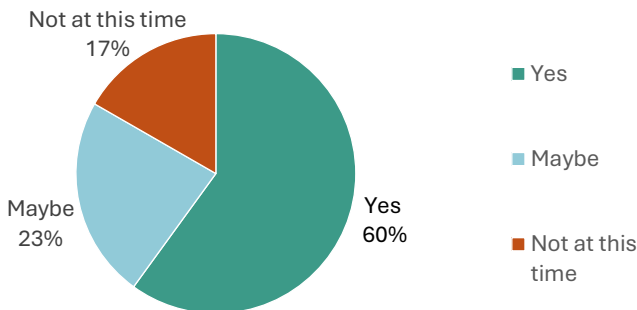

University of Nevada, Reno Extension’s Meat Workforce Development Program delivered 12 workshops, mobile harvests and training programs, directly engaging 287 participants and reaching more than 3,350 individuals through statewide outreach. The mobile harvest unit supported 14 producers across five counties, processing a total of 92 animals and strengthening local meat production capacity. This included:

- ✓ Hands-On Workshops
- ✓ Cultural Harvests
- ✓ Mobile Harvests
- ✓ Educational Seminars
- ✓ Youth Programs
- ✓ Outreach Events
- ✓ Producer Technical Assistance

**“Great presentation - you all made complex information engaging and fun!”**
