Basket Battle

Materials Needed:

- **24 whiffle balls or pairs of socks balled up**
- **2 baskets**
- **Timer**

Set Up:

In a large, open area set baskets at opposite ends of the room. Divide the balls evenly between the two baskets.

How to Play:

Divide participants into two teams. Start the timer for 5 minutes (time can be adjusted depending on player's preferences).

Line up each team behind their team's basket. When the timer starts, players run to the other team's basket, take the other team's balls (one ball per player at a time) and run back to put it in their own team's basket. Continue taking balls from the other team's basket until the timer ends.

The team with the most balls when the timer ends is the winner.

An EEO/AA Institution: Extension is a unit of the University of Nevada, Reno's College of Agriculture, Biotechnology & Natural Resources engaged in Nevada communities, presenting research-based knowledge to address critical community needs. It is a county-state-federal partnership providing practical education to people, businesses and communities.
